SUBJECT: NONPAPER ON LATEST IAEA IRAN REPORT DELIVERED

REF: STATE 57726

11. (U) This is an action request. Please see para 3.

12. (SBU) On June 10, poloff discussed reftel points about the latest IAEA report on Iran's nuclear program with MFA International Organizations Department Peace, Security and Disarmament Section Chief Do Hung Viet. Viet mentioned that he had reviewed the report, but had no further comment. He added that he would report U.S. views to the MFA leadership for its consideration.

13. (SBU) Viet noted that he has seen conflicting media reports about the contents of the new P5+1 proposal to Iran. He asked if we could share details of the proposal with the GVN. Post requests Department to provide guidance concerning this request.
